

School of the Musketeer

1580 – 1650

Presented by The Kingdom of Lucerne

April 17-18, 2010

Located at Historic Fort Mifflin on the Delaware, 1 Fort Mifflin Rd, Philadelphia, PA
Come join us for a fun and interesting weekend of life in the 17th Century

Learn how to fire a matchlock musket, be part of a live fire cannon crew, handle a pike and experience the thrill of dueling with swords.

There is much more to musketeer life than just being a soldier. Participate in period games, examine medical instruments and techniques of the time, and discover the role of religion in the era. How were clothes made and where did the raw materials come from?

Taste the food and learn how it was prepared 400 years ago.

Soap didn't come from the supermarket, bread didn't come in a bag and the lights at night were not plugged in. So UNPLUG—and come spend the weekend with us!
